Brand Guidelines

ScaleUP | 2026-05-05

Brand Strategy

Purpose: Why the brand exists: Deliver practical AI projects and consulting that help companies scale operations and decision quality.

Vision: Desired future state: Become the trusted AI consulting partner for growth-stage companies in North Africa and Europe.

Mission: Deliver practical AI projects and consulting that help companies scale operations and decision quality.

Core Values: quality, trust, innovation

Brand Identity

Logo Guidelines: Use the logo consistently on light and dark backgrounds. Maintain clear space, avoid distortion, and keep a monochrome version available for restricted print use.

Color Palette: #F5F5DC, #8B5A2B, #111827, #2563EB, #0EA5E9, #F8FAFC, Preference note: beige, brown

Typography: Headings: modern sans-serif, Body: clean sans-serif, Preference note: clean modern sans-serif for headings and readable sans-serif for body

Imagery Style: professional, minimalist, consultancy-oriented

Brand Communication

Voice: smart, clear, innovative

Tone: professional

Tagline: Scale smarter with AI.

Brand Application

Website: Use the brand palette, type hierarchy, and logo clear space rules on the homepage and product pages.

Social Media: Keep captions, cover images, and story assets consistent with the selected tone and color system.

Marketing Materials: Apply the same visual identity to brochures, pitch decks, ads, and email headers.

Presentation: Use branded title slides, section dividers, and icon styling.
